## Detalles técnicos. Technical details

|                                                           |                                |                                                      |                     |
|-----------------------------------------------------------|--------------------------------|------------------------------------------------------|---------------------|
| Potencia. Power                                           | 8W                             | Color. Colour                                        | Negro. Black        |
| Índice de reproducción cromática. Colour rendering index  | CRI>90                         | Regulador de intensidad. Available dimmable          | ON/OFF              |
| Índice de deslumbramiento Unificado. Unified Glare Rating | UGR<19                         | Ángulo de haz disponibles Available light beam angle | 15°<br>24°<br>38°   |
| Temperatura de trabajo. Working temperature               | -20° + 40°                     | Lúmenes. Lumens                                      | 745 Lm              |
| Protección contra sólidos y líquidos. Ingress protection  | IP20                           | Temperatura de color. Colour temperature             | 3000K               |
| Tipo de Luz. Type of light                                | Calida. Warm white light       | Eficiencia. Efficacy                                 | 93 Lm/W             |
| Voltage                                                   | 48V                            | Clase. Class                                         | III                 |
| Frecuencia. Frequency                                     | AC-50/60Hz                     | Vida útil. Lifespan                                  | 50.000 h            |
| Led Driver                                                | LYOPRO                         | Uso. Use                                             | Interior. Indoor    |
| Marca del LED. Chip Brand                                 | CREE                           | Materiales. Materials                                | Aluminio. Aluminium |
| Garantía. Guarantee                                       | <div>3YEAR<br/>GUARANTEE</div> |                                                      |                     |
